REPUBLIC OF ZAMBIA

OFFICE OF THE VICE PRESIDENT

THE VICE PRESIDENT
P.O. BOX 50773
LUSAKA

To whom it may concern,

During the recent tour to Los Angeles, Southern California, by her honour the Vice President of the Republic of Zambia, Mrs. Inonge Mutukwa Wina, we were introduced to ITH Charities. ITH Charities is an organization headed by Dr. Isaac Moonzwe as its President, Ms. Constance Moonzwe as President of ITH Staffing and Vice President of ITH Charities, and members of the ITH Charities Board of Directors.

Her honour the Vice President, was very impressed on hearing of the objectives of ITH Charities as these are in tandem with the initiative that her honour was promoting, namely the 'Jubilee Women's Integrated Highway Market.' Vice President Wina was excited because the two organizations have similar objectives, which are lifting the standards of living for the women and children of Zambia.

Vice President Wina was amazed at how ITH Charities has achieved so much in such a short time. For example, in December 2015, ITH Charities adopted a school in Zambia called the Mukaliakwa School with approximately 850 children situated in the central province of Zambia. To date, ITH Charities has provided school supplies for the entire school and 250 children with needed uniforms. ITH Charities has also pledged to improve the health and sanitation standards of this school, by building additional pit latrines (currently there is only one latrine for approximately 850 children and staff). ITH Charities also plans to construct teachers housing to reduce the current teachers' deficit from 8 to 14. Additionally, ITH Charities will be providing free eye clinics and screening for thousands of children in Zambia.

ITH Charities is an organization with a vision and purpose to make a meaningful contribution toward the reduction of poverty. It is for this reason that the Jubilee Women's Integrated Highway Market, spear-headed by Vice President Wina, has accepted a request from ITH Charities to go into partnership and collaborative activities.

The Jubilee Women Integrated Highway Market looks forward to working with ITH Charities toward lifting the standards of living for the women and children of Zambia.
